

Play your part

The Cathedral's role as a venue for major civic events and music recitals will be enhanced through the installation of a unique 1927 Casavant Frères pipe organ from St Jean de la Croix, Montreal, Canada.

There are many ways you can participate in this exciting project, whether as an individual or family, as a member of your parish or cultural group, a present or past student of a Catholic school, or simply because you love music, architecture and history.

Donate a Pipe

'Donate' one of the 3000 plus pipes which make up the recently restored pipe organ. Whether you choose a small high-pitched pencil pipe or one of 12 magnificent 16-foot façade pipes, your gift will be greatly appreciated and recognised. You may like to name your pipe in memory of a departed loved one.

Become a Cathedral Champion

Act as a leader to conduct a parish or community event, work with your school or parish group to fundraise for a pipe or simply gather a group of like-minded friends and family to make your contribution.

Join the Mary Mackillop Walk

Organise a walkathon along the Mary Mackillop city trail with your school, parish or faith group with the proceeds going to the Cathedral Restoration Appeal. To view the trail, visit www.adelaidecityexplorer.com.au

Make a Bequest

A bequest is the ultimate gift and ensures a lasting legacy. Contact Jane Juniper (08) 8210 8223 or jjuniper@adelaide.catholic.org.au. All enquiries are treated confidentially.

Preserving our heritage

In the mid-1800s the building of the Cathedral was made possible through the efforts of Bishop Francis Murphy, benefactor William Leigh and a group of committed Catholics.

More than 150 years later, the restoration work - including the restoration and installation of the Casavant Frères pipe organ - is being made possible through the generosity of individuals and groups within the Catholic community and from the wider community. Donate today to play your part in preserving the heritage and gift of our Cathedral for generations to come.

The Cathedral Restoration Appeal is a partnership between the Catholic Archdiocese of Adelaide and the National Trust South Australia.

Supporting the community

Every year the people in our parishes and schools raise hundreds of thousands of dollars for the Church's charitable agencies including Catholic Charities, Project Compassion, Caritas Australia and Catholic Mission.

We are extremely grateful for this long-standing support for the most disadvantaged and vulnerable people in our own community as well as throughout Australia and overseas. It is a vital part of our commitment to Living Catholic.

Similarly, the restoration of the Archdiocese's mother church, St Francis Xavier's Cathedral, is entirely dependent on the generosity of members of our Catholic community. The Cathedral is one of the most significant demonstrations of our faith – from the small group of Irish and English immigrants who had the courage and foresight to build a cathedral, to St Mary of the Cross MacKillop whose deep love for God enabled her to achieve extraordinary things right here in our midst.

Today the Cathedral is a symbol of the presence of Jesus in our lives, the source of all the good works of the Church in our own community and throughout the world. Our partnership with the National Trust demonstrates a joint commitment to preserving the heritage of our city, with the disbursement of all tax deductible donations overseen by the Trust. Thank you for your support.

THE PIPES ARE Calling

1 16-Foot Facade Pipes

Example: *Great Montre*
12 available
\$100,000

2 8-Foot Facade Pipes

Example: *Side Aisle Facade*
66 available
\$25,000
